

Oops!

While on patrol our officers noted the following oversight on your property which could be an invitation to thieves or burglars:

Address: _____

Date/Time: _____

Officer: _____

We appreciate your cooperation in correcting the above situation. For more information about crime prevention, please contact:

Horicon Police Department
220 Ellison Street
Horicon, WI 53032
920.485.3555

Oops! is a Horicon Police Department program focused toward prevention of crime in our city. Often times residents of Horicon become victims of crimes such as theft and criminal damage because they unknowingly gave a criminal an easy opportunity. Horicon Police Officers are now being more proactive in their patrols by looking for situations or oversights that are invitations to thieves, burglars and other criminals that look for easy target opportunities.

If you leave your garage open over night or leave objects of value out in your yard an Oops! card may be left at your home. Don't make yourself or your home/business an easy target to criminals. Take the necessary steps to protect your family and valuables. Lastly, if you do receive an Oops! card, take that opportunity to make changes so you can help Horicon be the safest place in Wisconsin to live, work and visit.

Just as the card says **“Working Together for a Safer Community”**
