Operations & Training: No officers attended training this month. We continue to investigate several felony cases from last month and look to bring them to closure in October. Traditional traffic challenges in the vicinity of Van Brunt Elementary School have not resurfaced and serve to validate the plan currently in place. We are working with New World (Records Management System (RMS) Software Vendor) to assess our ability to become fully operational on the "Countywide" RMS in a way that meets our operational requirements for UCR Reporting, Field Reporting, and implementation while being mindful of potential 2nd and 3rd order effects on intergovernmental partners.

Staffing & Overtime: The loss of the Lieutenant and K9 handler (out with an injury for 2 weeks) left 244 hours uncovered. We also had 106 hours of Administrative OT (Vacation, Holiday, Floating Holiday, & Comp Time) and 38.25 hours of Operational OT (a bit higher than usual with several felony crime investigations). The Lieutenant recruitment process is progressing. PFC interviews are projected for the first week of December and a start-date in January.
